/Lib Dems for Park Gate and Locks Heath

@Farehamlibdems

I think this message was quite clear when I was out leafletting recently. Who knows what the Tories, nationally OR locally, will say next?

Cost Of Living Problems?

As the latest increase in energy prices begin to bite we realise that things could get tough real soon for a lot of us. The current chaos is sadly wholly avoidable. We could pay for price caps using our proposed fully implemented windfall tax on oil and gas giants. The Lib Dems in Westminster have also asked the government to support **business owners** with their energy costs for one year, not just six months, to provide greater certainty.

This is hitting the elderly and the poorest hard. We'd like targeted support for these groups with the warm house grant extended but it might come too late.

So if you find yourself facing difficulties because of an unexpected expense, a delayed benefit payment, rent or council tax arrears, or money simply not stretching far enough, **then reach out to us** and we'll try to get you help.

Fighting For A Fairer Fareham

This year has seen Liberal advances in the areas surrounding Fareham.

The Liberal Democrats now run Eastleigh, Winchester, Portsmouth, and Gosport Councils. These **Liberal Democrat run** councils now **deliver** on the things that matter to their residents. These councils work hard to deliver long term **value** for every council tax pound received. They **listen** and **act** on

what their residents need, in order to prosper and feel safe.

See inside to learn more about what the Liberal Democrats have **delivered** in **every** council surrounding Fareham.

Discover how you can help us deliver a fairer, cleaner, and more caring Fareham.

It's time for a change!

Our Liberal Values

We work for clean, safe, fair, and caring communities that look after the people, places, and environments around us.

These are the values that inspire our year-round work for local people. We strive for an **open, fair,** and **free** society where democratic decision making is done **locally.**

We strive for a **community** that takes care of those in need, where **business** is free to trade fairly and on an even well regulated playing field, and where everyone pays their **fair** share.

We work for pragmatic solutions that deliver maximum value for every penny paid in tax. **Lib Dem** councils **deliver** for the people, the **environment,** the **communities,** and the **businesses** that we need in order to thrive and enjoy the place we call home.

It's always a two horse race in Fareham. Only the Lib Dems can defeat the Tories here

Con (26)

Lib Dem (4)

In Fareham only two parties have seats on the council, plus the local **champion** of Titchfield Common, Jack Englefield (Ind).

Labour barely even shows up at election time in Park Gate or Locks Heath. **Only Lib Dems** can act as an effective opposition to the Tories in Fareham.

Only a vote for Lib Dems can change Fareham into a **Fair and Caring** Fareham.

A Vision For Change

Fareham Residents have been taken for granted for too long! It's time to change.

We'd like to bring **on-street parking back** under Borough control so we can make it free for residents again.

We want to make it **easier** for **public transport** companies to run **greener** services in our town and we want the council to **generate** more **renewable energy** from it's properties and to put that money into our critical frontline services. **These are not pipe dreams - these are improvements already being delivered by Lib Dems in nearby councils.**

It's time someone cared about Park Gate and Locks Heath again!

As a registered national political party, The Liberal Democrats are entitled to a copy of the full Electoral Register, which we are entitled to under the Representation of the People Regulations 2001 for the purpose of democratic engagement. A Promise Of A Fair Fareham

This is our pledge...

LOCAL LIB DEM TEAM: WORKING FOR YOU ALL YEAR ROUND

Time For A Change

Join The Fight For a Fairer Fareham

We spent a huge amount of time and effort speaking to residents in

September and October, dropping leaflets and surveys. Not everyone was as receptive to our blue colleagues as to us; on the whole - we had a great time listening to the members of our communities.

We take the time to listen to what your priorities are, what concerns you, and what you think should be worked on next.

Now the time has come for Park Gate and Locks Heath to have their say. Over the next few months, you'll hear more from us as we listen to your priorities and share our ideas.

The Fareham Liberal Democrats want to make it easier for people to use **public transport** to get to work.

We want to protect **Titchfield Haven** and make it more accessible.

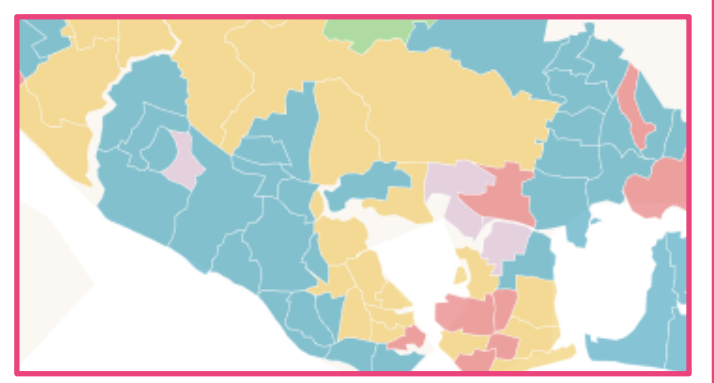

The Lib Dems will act on your priorities and stand up for you **while the Tories take you for granted**. Never mind the mess that's happening nationally, the Conservative chaos will rattle on while us normal people can't get a GP appointment. Who knows what they'll do next.

Lib Dem Councils All Around Us

Fareham is surrounded by Lib Dem led Councils that deliver positive changes for their residents. One of the four Lib Dem led councils, **Eastleigh**, delivers more council services for a lower cost than in Fareham.

Hilary Megginson, of the Fareham Liberal Democrats observes, *"We want to bring sensible liberal values to the running of the council. We want to improve our greenspaces and make our beaches more accessible. Some in our communities need more care, and some need public transport solutions to help them get to work. All essential basic demands that need better, more creative solutions. Where we work for our communities, it is our values that guide us - not self interest"*

Rental Bikes, car charging points, car parking charges, renewable energy solutions... They're all possible. And they are not dreams - **all these initiatives and more have already been delivered in neighbouring councils...**

LOOK:

Free Community Skips in Gosport

Gosport Lib Dems took control in May and have delivered at pace.

From more access to cheaper parking, putting a redevelopment of the Lee On Solent Sea Front on the agenda, to the incredibly popular community skip scheme, the Lib Dems in Gosport are changing their town, swiftly making decisions that deliver on the priorities of their residents.

More Mixed Recycling For Portsmouth

Portsmouth Council recently introduced a recycling scheme for mixed plastics products.

The council is providing mixed plastic recycling points at their local recycling banks, helping tackle the growing problem of recyclable waste getting thrown away. **Thanks to the Lib Dems, Portsmouth can now recycle a wider selection than in Fareham.**

Eastleigh is the Best

The Liberal Democrat run Eastleigh Borough Council was recently ranked among the best run councils in the country. It's been controlled by Liberal Democrats for many years and has one of the lowest council tax rates in the country. They provide more services than Fareham does for that council tax. And when there is a cost, it's less than what we pay here.

Winchester Keeps The GPs Coming To Whiteley

The Winchester Lib Dems who represent half of Whiteley met with Whiteley Practice to discuss the issues raised by residents.

Cllr Vivian Achwal reported back that after the meeting, the practice is expanding with four more GPs with face to face appointments to resume soon. The Lib Dems will continue our campaign for more NHS services to serve Whiteley as the village grows.

Get On Yer Bike in Portsmouth

Portsmouth Council is increasing it's e-bike sharing scheme and investing in green energy generation.

Traffic problems can be solved with some creative solutions. In Portsmouth, Beryl eBikes are for hire for city centre journeys and the solar powered car park canopies helps generate funds AND cleaner air for the city. **Lib Dem delivered!**

A PROMISE OF ACTION, A PLEDGE FOR MORE
